

HONORING DONNA MCPHERSON

HON. GARY G. MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 2, 2000

Mr. GARY MILLER of California. Mr. Speaker, it is with great honor that I honor Ms. Donna McPherson, an operations supervisor, at the Pomona, CA, Social Security Administration Office.

Ms. McPherson has been with the Social Security Administration since 1989. She began her career with the agency at the Ontario, CA office as a claims representative and was later promoted to her current position of operations supervisor in Pomona, CA. She currently facilitates a variety of Social Security Administration outreach forums and ensures that the work of those under her supervision is completed in a timely and accurate manner. Additionally, she is the direct liaison for congressional inquiries.

The outstanding work of Ms. McPherson has been recognized by many. She has received the annual Special Act Award numerous times. This award is given to Social Security Administration employees who excel at their duties above and beyond what is required, or accomplish something unique on the job. Ms. McPherson has done both, and as a result, she received this award in 1991, 1993, 1997, and 1999. In addition, she has also received the Performance Award which recognizes a continual commitment to the job and outstanding performance in all areas of the workplace, and the On the Spot Award for her problem-solving skills.

When she is not excelling in her responsibilities at the Social Security Administration, she enjoys spending time with her family and friends, attending to the numerous cats and dogs under her care, and playing Bunko. Ms. McPherson is also active with her church and devotes much of her time to the women's prayer group.

Ms. McPherson's coworkers describe her as hard-working, reliable, dedicated, and most importantly, as a person who goes the extra mile for Social Security clients. Indeed, I have found her to be an invaluable resource. Ms. McPherson takes special consideration to ensure that her correspondence with my office is prompt and frequent, an attribute which serves to greatly assist me in responding to my constituents in an efficient manner. Her knowledge of Social Security policy is immense, and her ability to translate complex, directives into an easy to understand language is remarkable. She often invests personal time and concern in order to ensure each constituent's satisfaction.

Ms. Donna McPherson makes government work by cutting through the redtape of bureaucracy one person at a time. Mr. Speaker, I ask that this 106th Congress join me in thanking Ms. McPherson for her dedication and commitment, praising her for a consistent record of hard work, and recognizing her as an asset to the Social Security Administration and the constituents of California's 41st Congressional District.

EXTENSIONS OF REMARKS

IN COGNITION OF THE 150TH ANNIVERSARY OF HEIDELBERG COLLEGE, TIFFIN, OH

HON. PAUL E. GILLMOR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 2, 2000

Mr. GILLMOR. Mr. Speaker, it is with great pride that I today express a special tribute and congratulations to Heidelberg College on the anniversary of its founding. This November 11th marks 150 years since the college first opened its doors in Tiffin, Ohio. These 150 years have marked 15 decades of service to its students and the community.

Founded by members of the German Reformed Church in 1850, Heidelberg College began humbly, on the third floor of a building in the business district in Tiffin. Since then, it has grown both in size and number far beyond what its founders could ever have dreamed.

Currently, the college is located on a 110-acre campus in northwestern Ohio. Heidelberg offers 36 courses of study in 19 different fields of concentration, both for undergraduates and graduate students. As a church-based liberal arts college, an area of particular emphasis for Heidelberg is the integration of faith into academic and professional life. Heidelberg students, and the communities into which they enter after graduation, benefit greatly from this faith-based approach.

While the college is located in Ohio, it truly has a global view. As part of their undergraduate experience at Heidelberg, many students take advantage of a variety of domestic and foreign off-campus study programs, these include opportunities to study for a semester at American University here in Washington, DC, a year at Heidelberg University in Germany, or to take classes at its Japan Campus in Sapporo, Japan.

As a mark of its dedication to the community, Heidelberg College does not just cater to the traditional student, but is also pioneering lifelong learning opportunities for the nontraditional student. Whether through its Weekend College program on its main campus or at its Maumee Branch extension, Heidelberg offers a variety of ways for these adult learners to earn bachelor's degrees.

Another way that Heidelberg College serve the community is through its Water Quality Laboratory. With its state of the art equipment, the laboratory undertakes research directed at understanding the long-term effects of agricultural chemicals and runoff, especially in Lake Erie. The work is critical in analyzing the dangers that these chemicals may pose to humans and ecosystems in the Ohio and Great Lakes area.

Mr. Speaker, the foremost way an institution such as Heidelberg serves the community however, is through its graduates. In 150 years, Heidelberg graduates have offered the highest level of commitment to their communities, and especially Ohio. Whether they are businessmen, scientists, or artists, Heidelberg alumni have been true to the college's goal of graduating "whole persons who can act effectively with human values in a world of continuing change." I hope that my colleagues will join me in congratulating the college on its his-

Mr. BOYD. Mr. Speaker, on rollcall Nos. 589, 590, and 591 I was unavoidably detained. Had I been present, I would have voted "yea" on rollcall votes 589, 590, and 591.

IN HONOR OF THE CHILDREN'S ASSESSMENT CENTER

HON. KEN BENTSEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 2, 2000

Mr. BENTSEN. Mr. Speaker, I rise to congratulate the Children's Assessment Center located in Houston, Texas as it begins its tenth year of service to Harris County's children.

The Children's Assessment Center (CAC) was founded in 1991 to address the unique needs of sexually abused children in Harris County. Since the Center first opened, it has served more than 38,000 children by fulfilling its mission to protect children by providing a professional, compassionate and coordinated approach to the treatment of sexually abused children. The CAC also helps to advocate on behalf of these children through the court system. I believe that the "one-stop" shopping provided at the CAC is the right approach to ensure that these children receive services in one convenient, nurturing environment. Sexual abuse is one of the most heinous crimes and

we must work together to protect these children.

The CAC is a collaborative effort between the Harris County Commissioners' Court and the Children's Assessment Center Foundation. The CAC's \$10.5 million state-of-the-art facility, located in my district, was specially designed to provide an environment that will meet each child's needs for warmth, support, and protection. The CAC is also a member of the National Children's Alliance and the largest of its kind in the nation. The Center houses professionals from fifteen partner agencies, including law enforcement, the University of Texas Health Science Center Medical School, psychological/psychiatric professionals and students, and governmental investigative entities which work cooperatively to protect children and investigate sexual abuse. This team approach is critically important to successfully helping these children to recover from sexual abuse.

Earlier this year, the CAC was awarded the Legacy Award for Excellence and Innovation by the National Association of Counties at a ceremony held at the U.S. Capitol. This Legacy Award for Excellence was presented to the CAC because it had shown itself to be the program that most fully embraced the spirit of volunteerism and has set itself apart from all others across the nation with its distinct and unparalleled services. Each year, the CAC works with more than 150 volunteers who assist in protecting and improving the lives of sexually abused children in Harris County. None of these accomplishments would have been possible without the leadership of Ellen Cokinos, the Executive Director of the CAC. Ellen has worked tirelessly on behalf of these children and we should all thank her for her leadership in helping these children to heal.

I want to commend the Children's Assessment Center, its staff, Board members and volunteers for their leadership in helping sexually abused children and applaud their efforts to raise awareness about the special needs of sexually abused children.
